

ANYBODY CAN GIVE BLOOD

(but dental offices do it better)

TAKING CARE OF OTHERS IS WHAT WE DO.

Oral Surgery Associates invites you to join us in caring for others with a Dental Community Blood Drive.

We have partnered with the American Red Cross to create a safe, socially distanced blood drive in our office. **All those who donate will receive a complimentary SARS CoV-2 antibody test and lunch and drink packaged up and ready to take with you.** There will be some pretty great raffle prizes for offices with 3 or more team members who donate blood.

Sign up for a time that is convenient for you! To set up an appointment online, visit [RedCrossBlood.org](https://www.RedCrossBlood.org) and enter "Oral Surgery" in the search bar.
