We proudly care for our military members and their families. We are In-Network providers with United Concordia for Active Duty and their families and Delta Dental of California for Retired Personnel and their families.

Connection Dental Network and Premier Dental Group Network are dental networks that are utilized by dental insurance companies to provide in-networks benefits meaning that we are considered in-network with those dental companies if they are utilizing one of these three networks. Often there is no identifier on the insurance card so it is recommended that you contact your insurance company to verify benefits.

IN-NETWORK MEDICAL PLANS

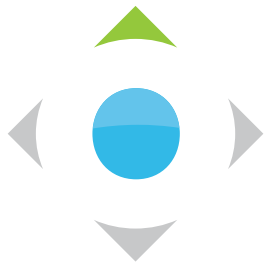

Blue Cross Blue Shield of Nebraska - Network Blue & Premier Select Networks only

Wellmark of Iowa

Methodist Health System Employees - UMR

All other medical plans we are not in-network with but will file to.

Our dream team of board certified oral maxillofacial surgeons and caring RNs and assistants provide the highest quality of care to each of your patients.

Help us provide the best experience to your patients by sending:

- recent; dated x-rays
- insurance cards
- referral slips

The easiest, fastest and most secure way to send us patient information is through our website, just click the referral tab at the top. Our HIPAA-compliant referral portal delivers x-rays, insurance cards and referral slips to us immediately. Or, if you prefer, send through secure email.

We use this information to understand your treatment plan, contact insurance providers for benefit information pre-appointment, and ensure a complete and efficient appointment with us.

Thank you for helping us coordinate our patients care.
